

COOKIES POLICY

This policy is effective as of FEB 05 2023. Please note that this statement will be updated from time to time.

We can place cookies and other similar technology on your device, including your mobile device, in accordance with your preferences set on our cookie setting center. Depending on your settings in our cookie consent manager on your mobile device, the following information may be collected through cookies or similar technology: your unique device identifier, mobile device IP address, information about your device's operating system, mobile carrier and your location information (to the extent permissible under applicable law).

Every time you visit our website, you will be asked to accept or reject cookies, you have the option to tailor your selection.

What are cookies?

Cookies are small text files that are placed into the user's device when you visit a website, downloaded to your computer or mobile device when you visit a site and allow a site to recognize your device. Cookies stores information about the user's visit, which may include content viewed, language preference, time and duration of each visit and advertisement accessed. Cookies managed by Binance only are called "first party cookies" whereas cookies from third parties are called "third party cookies".

What types of Cookies do we use?

The cookies used on Tycoon Fintech sites have been categorized as below. However, it is important to note that not all cookies may be used in all jurisdictions or websites. A list of the categories of cookies used on this website is set out below.

- Necessary cookies

Necessary cookies allows us to offer you the best possible experience when you navigate and browse through our website and use its feature.

- Targeting Cookies

Targeting cookies may be set through our site by our advertising partners. They can be used by these third parties to build a profile of your interests based on the browsing information they collect from you, which includes uniquely identifying your browser and terminal equipment.

- Functionality cookies

Functionality cookies let us operate the site in accordance with the choices you make and remember your preferences during visits.

- Analytical cookies

These cookies allow us and third parties services to collect aggregated data for statistical purposes on how our visitors use the website. These cookies do not hold your personal information such as names and email addresses and is used to help us improve the user experience of the website.

Do we use any cookies from third party companies?

Some cookies, web beacons and other tracking and storage technologies that we use are from third party companies (third party cookies) to provide us with web analytics and intelligence about our sites which may also be used to provide measurement services and target ads.

What if I don't want cookies or similar tracking technologies?

You can adjust your preferences about cookies through our cookie setting center. If you want to remove existing cookies from your device, you can do this using your browser options.

If you want to block future cookies being placed on your device, you can do so by modifying the settings at our cookie setting center. Nevertheless, please consider that deleting and blocking cookies may have an impact on your user experience.

If you have any questions now or during your visit, please submit your request through our Customercare@tycoonfin.com.

You can adjust your cookie settings at any time from our cookie setting center.
