

DISCLAIMER POLICY

WELCOME TO TYCOON FINTECH

Tycoon Fintech ensures steady commitment to your usage of (hereinafter referred to as “**Platform**”) and privacy with regard to the protection of your invaluable information. This document contains information about the Website **www.tycoonfin.com**.

Risks related to the use of the Platform

The Website will not be responsible for any losses, damages or claims arising from events falling within the scope of the following five categories:

- a) Mistakes made by the user of any TFTC token-related software or service, e.g., forgotten passwords, payments sent to wrong Bitcoin addresses, and accidental deletion of wallets.
- b) Software problems of the Website and/or any TFTC token-related software or service, e.g., corrupted wallet file, incorrectly constructed transactions, unsafe cryptographic libraries, malware affecting the Website and/or any TFTC token-related software or service.
- c) The plausible technical failures in the hardware of the user of any Bitcoin-related software or service, e.g., data loss due to a faulty or damaged storage device.
- d) Security problems as experienced by the user of any TFTC token-related software or service, e.g., unauthorised access to the users' wallets and/or accounts.
- e) The actions or inactions of third parties and/or events experienced by third parties, e.g., bankruptcy of service providers, information security attacks on service providers, and fraud conducted by third parties.
- f) The user understands and agrees that any material or data downloaded or otherwise obtained through the platform is done entirely at his/her own discretion and risk and he/she will be solely responsible for any damage to his/her computer systems or loss of data that results from the download of such material or data. Platform accepts no liability for any

errors or omissions, with respect to any information provided to you whether on behalf of itself or third parties.

Investment and Trading Risks

The investment in Digital Assets can lead to loss of money over short or even long periods. The investors in Digital Assets should expect prices to have large range fluctuations.

The services on the platform are based on the market conditions which is subject to risks and volatility and based on the information that is given by the user and the correctness of authenticity of the same is assured by the users, the users cannot hold the platform accountable for the mistakes caused by any error in the information

The information published on the Website cannot guarantee that the investors in Digital Assets would not lose money.

Compliance with Tax provisions

The users of the Website are solely responsible to determine what, if any, taxes apply to their Digital Asset transactions. The owners of, or contributors to, the Website are NOT responsible for determining the taxes that apply to tokens and digital assets transactions.

The Website does not store, send or receive TFTC tokens. This is because bitcoins exist only by virtue of the ownership record maintained in the Platform's network. Any transfer of title in the tokens occurs within a decentralised Binance Smart Chain network, and not on the Website.

Intellectual property

Any and or all the intellectual property on the Platform platform may have been trademarked or copyrighted by the Platform and or any other such person and any use, misuse or manipulations that may be in relation to the intellectual property shall be the responsibility of the vendor. However, when brought to the notice of the Platform, there shall be immediate legal action taken. If any vendors or Users wish to use the Platform's trademark or logos, they may do so by getting prior written approval from the Platform.

Third Party Platforms

Through this platform, you may be able to link to other third party platforms which are not under the control of the Platform. We have no control over nature, content and availability of those sites. The inclusion of any links does not necessarily imply a recommendation or endorse the views expressed within them. Every effort is made to keep the platform up and running smoothly. However, the Platform takes no responsibility for, and will not be liable for, the platform being temporarily unavailable due to technical issues beyond our control.

No Warranties

The services on the platform are intended to be subject to availability, without any promises or guarantees on the same by the Platform, and while certain information available on the platform is the property of the Platform and it endeavours to keep the said information updated and accurate. The Platform makes no representations or warranties of any kind, express or implied, about the completeness, accuracy, reliability, suitability or availability with respect to the platform or the information, customers, services, or related graphics contained on the platform for any purpose. Any reliance you place on such information is therefore strictly at your own risk.

To the fullest extent permitted by law, and the Platform and its officers, managers, members, directors, employees, successors, assigns, subsidiaries, affiliates, service professionals, suppliers, and agents disclaim all warranties, express, implied, statutory or otherwise, and make no warranties, representations, or guarantees in connection with this website, the services offered on or through this website, any data, materials, submitted content, relating to the quality, suitability, truth, accuracy or completeness of any information or material contained or presented on this website, including without limitation the materials, data and submitted content of other vendors of this site or other third parties. Unless otherwise explicitly stated, to the maximum extent permitted by applicable law, this website, the services offered on or through this website, data, materials, submitted content, and any information or material contained or presented on this website is provided to you on an "as is," "as available" and "where-is" basis with, non-infringement of third-party rights.

The Platform does not provide any warranties against errors, mistakes, or inaccuracies of data, content, information, materials, substance of the website or submitted content, any unauthorised access to or use of our secure servers and/or any and all personal information and/or financial information stored therein, any bugs, viruses, trojan horses, or the like which may be transmitted to or through the website by any third party, any interruption or cessation of transmission to or from the website, any defamatory, offensive, or illegal conduct of any third party or service vendor or service provider, or any loss or damage of any kind incurred as a result of the use of any data, content, information, materials, substance of the website or submitted content posted, emailed, transmitted, or otherwise made available via the website. The Platform will not be a party to or in any way be responsible for monitoring any transaction between you and any party, including third parties. As with the use of any product or service, and the publishing or posting of any material through any medium or in any environment, you should use your best judgement and exercise caution where appropriate.

Limitation of Liability

The Platform shall disclaim all responsibility and owns no liability to Users for any outcome (incidental, direct, indirect or otherwise) from the use of the Platform. In no event will the Platform be liable for any loss or damage including without limitation, indirect or consequential loss or damage, or any loss or damage whatsoever arising from loss of data or profits arising out of, or in connection with, the use of the platform.

Arbitration

The user of the Website agrees to arbitrate any dispute arising from or in connection with the Website or this disclaimer, except for disputes related to copyrights, logos, trademarks, trade names, trade secrets or patents.
